Journey to
Enlightenment

明心

佛教遺址藝術沉浸式展

A Multimedia Exhibition on Buddhist Cultural Heritage

八大單元貫穿佛陀的成道、說法、修行、圓滿等歷程，同時呼應
慈濟六十年在人間實踐佛法的精神，讓每位觀眾透過沉浸式藝
術，不只「看」佛教，而是「走進」佛法與成為菩薩行者。

Eight thematic sections trace the Buddha's journey through enlightenment,
teaching, practice, and ultimate fulfillment.

These stages echo Tzu Chi's sixty-year legacy of bringing the Dharma to life
and practicing its essence in the modern world. Through immersive art, you are
invited to move beyond simply "observing" Buddhism. We welcome you to
"step into" the Dharma and join us as a practitioner on the Bodhisattva path.
